STRECKEN & HINDERNISPLANUNG 2025

The map illustrates the 2025 triathlon route, which is marked by a red line with arrows indicating the direction of travel. The route begins at a starting point (marked with a red dot) and proceeds through a series of numbered checkpoints (1 through 8) and obstacles (A through H). The course is set against a background map showing roads, water bodies, and green spaces. Key landmarks include the 'Krumbacher Straße' and 'Engelhof' roads, and the 'Wassersportplatz Schwanenbrunn' and 'Wassersportplatz Schwanenbrunn' water bodies. The route is divided into segments by these checkpoints and obstacles. The obstacles are marked with letters A through H, and each is accompanied by a small inset image showing the obstacle in detail. The obstacles include a wooden structure (A), a large pile of logs (B), a wooden structure (C), a wooden structure (D), a wooden structure (E), a wooden structure (F), a wooden structure (G), and a wooden structure (H). The route is also marked with a green line, which likely represents the official triathlon route. The map is titled 'STRECKEN & HINDERNISPLANUNG 2025' in large, bold, black letters at the top.
